

**XXII International Conference
FINSLER EXTENSIONS OF RELATIVITY
THEORY
(FERT-2026)**

**27 — 28 November 2026 г.
Peoples' Friendship University of Russia,
Moskow, Russia**

**Research Institute of Hypercomplex Systems in Geometry
Institute of Theoretical and Experimental Biophysics of the Russian
Academy of Sciences**

**Educational and Scientific Institute of Gravity and Cosmology
of Peoples' Friendship University of Russia**

**Announce the holding of the XXI International Conference
"Finsler Extensions of Relativity Theory",
devoted to the problems of time geometrization**

This conference is a continuation of the series of conferences conducted in Russia (2004, 2007, 2009, 2010, 2012, 2015 – 2022, 2024, 2025), in Egypt (2005, 2006, 2008, 2023), in Romania (2011, 2014) и in Hungary (2013) The proceedings of these conferences were published in the journal "Hypercomplex Numbers in Geometry and Physics" articles and videos can be found on the website: www.hypercomplex.su.

Organising Committee

Prof. A.P. Efremov — Peoples' Friendship University of Russia, Moscow, Russia (the chairman).

Ph.D. D.G.Pavlov — Research Institute of Hypercomplex Systems in Geometry and Physics, Russia (Co-chairman)

Ph.D. V.A. Pancheljuga — Research Institute of Hypercomplex Systems in Geometry and Physics, Institute of Theoretical and Experimental Biophysics of the RAS, Russia.

Ph.D. A.A. Eliovich — Research Institute of Hypercomplex Systems in Geometry and Physics, Russia.

A.V. Lapshin — Research Institute of Hypercomplex Systems in Geometry and Physics, Russia (Secretary).

Academic Committee

Prof. V. Balan - Polytechnic University, Bucharest, Romania.

Prof. L. Kozma - University of Debrecen, Debrecen, Hungary.

Prof. G.Yu. Bogoslovsky - Research Institute of Nuclear Physics, Moscow State University, Moscow, Russia.

Prof. Yu.S. Vladimirov - Moscow State University them. M.V. Lomonosov, Russia.

Prof. A.P. Efremov - Peoples' Friendship University of Russia, Moscow, Russia.

Directions of the conference

Physicists and mathematicians working in the following directions are invited to take part in the Conference:

- study of the geometric properties of time;
- Finsler extension of geometry;
- Hypercomplex numbers and functions associated with Finslerian Spaces;
- algebraic fractals;
- experimental research and astrophysical observations, proving the possible anisotropic nature of the real Space-time.

Conference venue

Conference venue is the main building of Peoples' Friendship University of Russia, 6 Miklukho-Maclay str., Moscow, Russia

The format of participation is full-time, remote online connection is possible.

Conference languages

Russian and English.

Publication of conference materials

Extended articles-theses on the topics of reports are planned for publication in the conference proceedings

Registration fee

For all full-time participants - 2500 rubles.

The banquet will take place on Saturday, November 28, and the venue will be announced later. The cost is 1500 rubles.

Important dates

The deadline to confirm the participation in the conference is November, 2, 2026. Complete the Registration form and send it along with the theses of your report (1-4 pages A4 format in Russian or English) to the secretary of the conference Alexander Lapshin rihsgp@mail.ru

The following information must be present in the registration form:

- FULL NAME
- Academic degree, title, position
- Organization (institution) (Russian or English versions), country
- Title of the report (Russian or English versions)
- Mob. Contact phone:
- E-mail:
- Possible dates of expected arrival and departure

The abstract (short article) should be attached to the registration form (1-4 pages, Format A4, Russian or English versions).

The working days of the conference are from the 27 to the 28th November.

Chairman of the organizing committee of the conference "FERT-2026" ,
Director General of the Research Institute of the GFSM,
Dr. Dmitry Pavlov
geom2004@mail.ru

Secretary of the Conference,
Alexander Lapshin
